

UPDATE – TELEMEDICINE - MDLIVE

MDLIVE - Access to quality healthcare without ever leaving your home.

During this period of time, the Archdiocese of Philadelphia is asking all employees to limit your exposure to germs and viruses.

When it's not possible to visit your doctor's office, **MDLIVE** makes it easy to visit a doctor in minutes through a mobile application, online and/or by phone. Using this service, you will have access to quality healthcare without ever leaving your home. This service is available to all employees.

MDLIVE's board-certified doctors are revolutionizing remote access to quality healthcare. The doctors are professionally trained to use virtual technology to treat many non-emergency conditions.
